

LARSEN STRINGS <sup>A/8</sup>

...made with love and passion

## LARSEN TZIGANE® VIOLIN STRINGS

Larsen Tzigane® strings provide a rich and saturated sound with a sensual warmth. They are remarkably easy to play and give fantastic focus and projection. Their mellow character delivers a perfect balance with bright and brilliant sounding instruments, for players seeking a warmer timbre.

### STRING DETAILS

The Tzigane® G, D and A strings are made using a multifilament nylon core. The G and D strings are wound with precision rolled pure silver flat wire, the A string with aluminum. The E string is made of a unique carbon steel.

The strings are offered in three tensions, soft, medium and strong. The strong tension strings offer the most volume and resistance to the bow. For very bright sounding violins, Tzigane® strong tension is the ideal choice.

### LARSEN TZIGANE® VIOLIN STRINGS - TENSIONS

String Type	Soft kp/lbs	Medium kp/lbs	Strong kp/lbs
E Tzigane	6,7/14.8	7,3/16.1	8,1/17.9
